BLACKBERRIES.

Ancient Briton, Snyder, Eldorado.

CURRANTS.

White Grape, Victoria, Long Bunch Holland, Pomona, Red Cross, Perfection, London Market.

GOOSEBERRIES.

Houghton, Downing, Champion, Pearl, Carrie.

STRAWBERRIES.

Perfect varieties: Bederwood, Enhance, Levett, Splendid, Glen-Mary, Clyde, Senator Dunlap.

Imperfect varieties: Crescent, Warfield, Haverland, Marie. Everbearing varieties for trial: Progressive, Superb, American.

ORNAMENTAL FRUITING SHRUBS.

Valuable for trial: Dwarf Juneberry, Sand Cherry, Buffalo Berry, High Bush Cranberry.

NUT FRUITS.

Shellbark Hickory, Black Walnut, Butternut.

Send in your subscription to The Minn. State Horticultural Society, and receive their valuable magazine.

- Our Terms are cash before shipment, or satisfactory reference, we will be pleased to book any order, small or big, without deposit. We do not ship C. O. D. unless one-fourth of the price accompanies order, and we do not prepay C. O. D. orders.
- We Guarantee our nursery stock, as represented in our catalogue. Should any prove otherwise we will replace same with the genuine, or refund the purchase price. In no case are we liable for more than the original invoice price.
- We Grow and Offer Only Such Stock as will prove hardy for the Northwest. We are one of the most Northern Nurseries in Minnesota, and stock which will prove hardy here will surely prove hardy elsewhere. It is our sincere desire to serve you so that you are pleased in every way, on this basis we are succeeding. A trial order will convince anyone, that we are offering the best obtainable anywhere.
- On all orders that reach us before September 15th for fall and March 15th for spring, we allow 5 per cent. discount.
- When you receive this copy get up club orders with the names of the various parties, 10 per cent. discount on such orders. Notification cards are sent out on receipt of order, also when stock is shipped.
- We Pack all shipments well, and they are sure to reach you in good condition.
- We also Prepay charges on all orders sent us of \$3.00 or over. You will have nothing as express or freight charges to pay.

OUR REFERENCES

Deal with a firm that gives bank references and guarantees satisfaction, and know you get northern grown stock.

Certificate of Nursery Inspection with each shipment,

FIRST STATE BANK

ESTABLISHED 1884 BATTLE LAKE, MINN.

We feel sure that these men will faithfully carry out any

agreement they make.

Very truly, JNO. G. PETERSON, Cashier, First State Bank

FIRST NATIONAL BANK

OF BATTLE LAKE. MINN.

CAPITAL,, \$25,000.00

SURPLUS, \$1,500.00

TO WHOM THIS MAY CONCERN:

This is to certify that the men who manage $\mbox{\it The Swedberg Nursery}$ have been customers of this bank for many years.

Their business relations with us have always been very pleasant, and we cheerfully recommend them to the public as being honest, reliable and entitled to the confidence of the people with whom they do business.

> Very respectfully, K. C. HANSEN, Cashier, First National Bank

Apples

The apple is universally recognized as the most desirable fruit of the United States, because of its great varieties of delicious flavors, nutritious qualities and nutritive value. Whether as commercial crop or for the satisfaction of the family, a well selected orchard of a few varieties is a most desirable investment that any land owner can place on his premises.

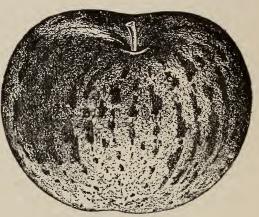

We recommend the planting of a few thrifty trees from one to three years old and from four to five feet high as such are more safely handled than older and larger trees.

3 to 4 feet..15c each; \$12.50 per 100 5 to 6 feet..40c each; \$35.00 per 100 4 to 5 feet...........35c each; \$20.00 per 100 6 to 7 feet, stocky, 50c each; \$45.00 per 100

EARLY FALL APPLES

Yellow Transparent. Good size; clear white turning to pale yellow; flavor subacid highly prized for cooking and eating; popular market variety. Tree of Russian origin; upright grower; bears early and abundantly; hardy. July-August.

Charlamoff. Hardy, thrifty, spreading grower, early and regular bearer. Fruit similar to Duchess, better quality, longer, hangs to tree better. A choice dessert apple. September.

Duchess of Oldenburg

Duchess of Oldenburg. Large size, roundish; streaked with red and yellow; flesh whitish; juicy; flavor sprightly, sub-acid; market variety. Tree a vigorous grower; very hardy; succeeds in northwest where many kinds fail. August-September-October.

LATE FALL AND EARLY WINTER APPLES

Okabena. Very hardy and productive. Fruit of fine quality, size and color. Tree is good grower and very free from blight.

Iowa Beauty. Strong upright grower, reasonably free from blight. Fruit very large almost sweet, good quality, handsome red. Deserves more generous planting.

Hibernal. Very hardy. Fruit large and striped, excellent for cooking.

Wealthy. Without doubt the best quality, and most popular apple grown in the state. Somewhat subject to blight and sunscald. Keeps well in storage.

Anisim. Free from blight, very hardy and prolific, fruit dark red, medium size, and of good quality.

Wolf River. Very large, strong grower.

WINTER APPLES

- Northwestern Greening. Fruit large, pale green, subacid, good quality. November to April.
- Malinda. Hardy, free from blight, of crablike growth. Fruit yellow, pear shaped, mild acid, best of keepers. February to May.
- Patten's Greening. Free from blight, good eating and cooking. October to January.

Other Winter Varieties: Ropka Malinka, Jewell Winter Milwaukee, Phoenix, Sugar Loaf.

CRABS AND HYBRIDS

In order of ripening.

- Early Strawberry. Hardy spreading growth, blights some, earliest of all to ripen and very productive. Season August.
- Florence. This is one of the best all around crabs. Hardy, medium size fruit, finely colored; try 'em.
- Whitney. Hardy, upright grower, fruit large and handsome. Good quality for eating. September.

Other Crabs and Hybrids: Dartt, Transcendent, Sweet Russet, Virginia.

PLUMS

Varieties in order of ripening.

Cheney. Fruit of the largest and earliest, red, has a very thin skin.

Forest Garden. Fruit reddish-yellow of good quality and large.

Wolf. Very thrifty grower, freestone, fruit large, quality good.

DeSoto. Spreading grower, does well in most all kinds of soils. Liable to overbear and fruit must be thinned.

Terry. Extra large fruit, bright red overcast with blue. Very productive. This variety should be more planted. Trees 15 cents extra.

PRICES OF PLUMS.

| 4-6 feet, 2 years | 20 for | \$ 7.50 |
|---------------------------|--------|---------|
| 6-7 feet, 2 years, stocky | 20 for | 12.00 |
| 4-5 feet, light trees | 20 for | 4.50 |

- Compass Cherry. This is a cross breed between the Miner Plum and the Sand Cherry. It is perfectly hardy, an early bearer. 2 year trees bearing in nursery rows before being sent out to customers. Very productive.
- Sapa Plum. A cross between the Sand Cherry and the Sultan Plum. It is hardy as an oak. Very early and prolific bearer, fruit dark purple and rich, red flesh. These trees often blossom and bear first year planted out; be sure to order of these.
 - **Opata.** Cross between Sand Cherry and Burbank's Gold Plum. It bears very heavy when 2 years old and at 4 ears some trees bear as much as a bushel each. Fruit little smaller than the Sapa, very small pit, flesh green, sweet and pleasant.
- Hanska. Cross of the American plum and Chinese apricot (P. Simoui). Rapid growers, unlike any of our native plums. Has a very small pit, firm, yellow flesh. Apricot flavor when cooked. (We have other varieties also.)
 - Sand or Rocky Mountain Cherry. These trees are perfectly hardy anywhere in the Northwest. Trees just loaded with very dark fruit, excellent for jelly. Tree is of a dwarf variety, grows about five feet tall, and bushy. 25 cents each; 10 for \$2.00; 20 for \$3.50. 3 to 4 feet, 50 cents each; \$4.50 for 10; these are bearing size.

RHUBARB OR PIE PLANT

20 cents each; \$1.80 for 12; \$3.50 for 25. These are 2 or 3 years old roots listed. 1 yr. roots 15 cents each \$1.50 for 12.

HORSE RADISH

Strong sets 15 cents each; \$1.50 for 10; \$2.50 for 25.

ASPARAGUS ROOTS.

| 1 | yr. | | \$1.00 | per 100; | \$ 7.00 per 1000 |
|---|------|---|--------|----------|------------------|
| 2 | yrs. | / | 3.00 | per 100; | 10.00 per 1000 |
| 3 | yrs. | | 4.50 | per 100; | 18.00 per 1000 |

GRAPE VINES

Beta. Very hardy, black, will stand without winter protection. 30 cents each. 2 yrs.

Hungarian. Black, hardy strong grower. 45 cents each.

Jansville Black, Diamond White, Agawam Red, Campbell's Early Black, these at \$2.50 per 10; \$20.00 per 100.

GOOSEBERRIES

Carrie. Is nearly thornless, and the best all around gooseberry introduced, free from disease, heavy producer, of good size, mild acid, light red berries. Gives very good satisfaction, bears quite heavy from 2 yr. old bushes. 30 cents each; \$2.50 per 10.

Pearl. Large fruit, free from mildew, heavy bearer. The above two varieties 25 cents each; \$2.25 for 10. 2 yrs. old.

Red Jacket. Best of the red varieties. 20 cents each; \$1.90 per 10.

Houghton. Light red when ripe. 15 cents each; \$1.25 per 10; \$7.00 per 100

Prepaid by mail (1 yr. plants) at prices stated.

CURRANTS

2 yr. plants at 20 cents each; \$8.00 for 50.

Perfection. Best of all red. 30 cents; \$2.50 per 10.

White Grape. White, sweet, good for table use. Red Dutch. Red, very productive.

Black Naples. Black, fine for jelly.

Pomona. Bright red, early, commercial sort and other sorts. 3 or 4 yr. old bushes bearing size, 5 cents extra.

BLACKBERRIES AND RASPBERRIES

Eldorado. Choice, very hardy, a leader in all sections, early. Berries are large, very firm, sweetly flavored. \$1.75 for 25 plants; \$5.00 per 100.

Snyder. Very hardy, early

berries of medium size. \$1.00 for 25 plants; \$3.00 per 100.

Ancient Briton. A very popular variety for the north. \$1.00 for 25.

Lucretia Dewberry. A low growing, trailing form of the blackberry, fruit of large size, soft, sweet and delicious. Hardy in the north, during the early part of season the new growth should be nipped off frequently. Does best on light soils that are not too rich. \$1.00 for 25 plants.

RASPBERRIES

Black, red and yellow varieties. Prices are, except where noted, \$1.00 per 25; \$3.00 per 100; \$17.00 per 1000.

Sunbeam. This variety is a cross between the wild Raspberry of North Dakota and a purple sort. Fruit of good size, dark red. \$1.75 per 25.

St. Regis. The new everbearing raspberry plant, will fruit same season planted. Crimson color; the best and only sort to try. \$1.75 per 25.

Other Varieties, that are hardy and very productive, given by name and color.

King. Large, bright red. Marlborough. Red. Miller. Red, early. Golden Queen. Best yellow. Cumberland. The largest black cap raspberry grown; hardy. Older and Black Diamond. Columbian. Purple, very hardy and tall growing.

STRAWBERRIES—STANDARD SORTS

50 cents per 25; 90 cents per 100; \$7.00 per 1000 prepaid.

Senator Dunlap (Perfect). This is no doubt the best all around strawberry plant for home as well as for commercial use, medium size berries, very firm, dark colored.

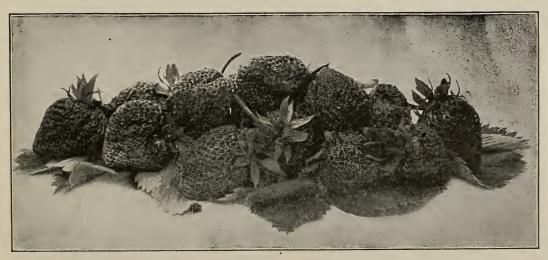

Warfield (Imperfect). This variety and Senator Dunlap will make a very excellent pair. Fruit about same as former.

We can also supply the following varieties at same price. Bederwood, early and perfect, Brandywine (perfect) late. Stevens Late Champion (perfect) latest. Wm. Belt (perfect). Crescent (imperfect) early, and others.

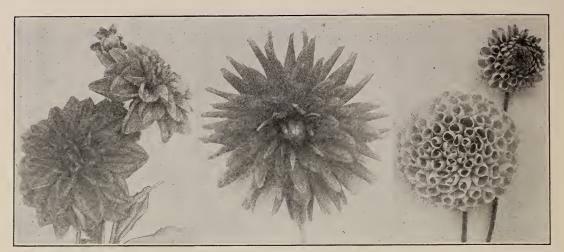

EVERBEARING STRAWBERRIES

The so-called **Everbearing Strawberry** is the best of all the standard sorts. Will fruit as much first season planted as the old varieties will the second season. Keep all runners and blossoms off until July 10th or 15th, after that let them fruit freely but keep all runners off, letting about two new plants set from each mother plant. Keep in hill system for best results. We offer the three best sorts. We can supply others also.

- Superb (Perfect). A strong healthy plant. Thrives everywhere, large fruit, firm and of good quality.
- **Progressive** (Perfect). This variety resembles the Senator Dunlap; an enormous yielder.
- Americus (Perfect). Very hardy, good yielder of good size berries, borne on upright stems above foliage. Prices of Everbearing Strawberry, \$3.00 per 100; 500 for \$10.00; 1000 for \$18.00.

If you don't see what you want in this book write us.

Decorative Dahlia

Cactus Dahlia

Show Dahlia

DAHLIAS

Show Dahlia in following colors: white, canary (yellow), crimson, pink, maroon, etc., any of above colors, 35 cents each; one of each color, 3 in all, \$1.00.

Cactus Dahlia, yellow, red, white, pink. Any color, 30 cents each; one of each color, \$1.00.

Decorative Dahlia, crimson, red, bright yellow, rose center shading to white, pure white, pink. Any color at 25 cents each; one of each color (5 in all) \$1.00. One root of the above colors of each variety, 3 varieties, as shown in description 14 big roots (will bloom first season) for \$2.50. Mixed sorts without name, 15 cents each; \$1.25 for 10.

BEDDING PLANTS.

Cannas in all standard named sorts, in all shades and colors. Green and bronze foliage both dwarf and tall sorts. 25 cents each; \$2.00 per 12; \$15.00 per 100. (After May 15th, 26 cents each; \$2.25 per 12; \$16.00 per 100.

Cultural Notes for Dahlias. Select a well drained place where they will receive sun on any soil, use barnyard manure as fertilizer, if clay soil add coarse gravel or coal ashes. Cannas will need somewhat same care.

Gladioli. The most beautiful summer and fall bloomer.

Use a sandy soil, but if this is not to be had, use soil that is well drained, the soil should be well fertilized with stable manure, worked into the soil. Planting should be done from about April 15th until June 1st, making plantings from 10 days to 2 weeks apart. This will extend blooming season until cut off by frost. We give name and color of some of our best varieties.

| Gla | di | പ | |
|-----|----|----|--|

- Mountain Ash (European). The most attractive and handsome lawn tree. Big white blossoms followed with big clusters of red berries. 3 to 5 ft., 25 cents each; \$2.00 per 10; 5 to 7 ft., 50 cents each; \$4.00 per 10. 8 to 10 ft., \$1.00 each; \$10.00 per 10.
- White Birch (European and American). Hardy and very handsome lawn trees, with its silvery white bark. Same prices as for Mountain Ash.
- Kentucky Coffee Tree. A handsome native tree, desirable ornamental lawn tree, with its pods resembling the coffee bean. Prices and grades same as for Mountain Ash.
- **Basswood** (Am. Linden). Hardy, one of the best trees for shade and ornamental purposes. Prices and grades same as for Mountain Ash.
- European Larch (Tamarack). Summer Evergreen, very desirable. Prices 3-4 ft., 35 cents; 4-6 ft., 50 cents each.
- **Hackberry.** Similar to White Elm. Somewhat of slower growth, a drouth resisting tree. Same grades and prices as Mountain Ash.
- Wild Black Cherry. Choke Cherry. Native Red Cherry. The above three varieties are very hardy and handsome. Medium size trees, the fruit is very useful as well as ornamental. 3-5 ft., 35 cents; 5-6 ft., 50 cents; 6-8 ft., 75 cents.

If you don't see what you want write us.

ORNAMENTAL AND FLOWERING SHRUBS

Weigela Rosea (Diervilla Rosea). Blooms profusely in May and June, flowers pink, white and rose, 50 cents.

Weigela (Eva Rathke). Diervilla hybrida. Flowers brilliant crimson, almost a continuous bloomer. 2 ft., 35 cents; 3 to 4 ft., 65 cents.

Snowball. Common with large clusters of pure white flowers.

Snowball. Tree or standard in tree form. 4-5 ft., 75 cents.

Lilac. Common purple, 25 cents. Lilac. Common white, 25 cents.

Lilac Giant Tree (Syringa Japonica). The only lilac forming into a tree, grows 30 ft. high. Blooms in June and July with long white showy flower plumes. 2-3 ft., 60 cents each; 3-4 ft., 85 cents; 18-24 in., 25 cents.

Hydrangea (Paniculata Grandiflora). The most beautiful fall blooming shrub, with white, large spike like flowers. Should be planted in all home grounds. 18-24 in., 25 cents; 2-3 ft., 50 cents. Tree form, 75 cents each.

Honeysuckle. A very hardy, strong growing shrub, having pink, red and white flowers during May, followed by red and orange berries. State color wanted, red, pink or white.

Spirea Van Houttei

Barberry (Purple Leaved).

Very desirable on account of its purple leaves. Very attractive when planted with other shrubs or massed up.

Spirea Van Houttei. One of the most planted. Very hardy with abundance of white flowers in early June sure to please. 4-5 ft.

spirea Billardi. Flowers are of rose colored spikes, blooms from July until frost, very ornamental when planted with the white. 5-6 ft.

Spirea Billardi Alba. Same as above but white flowers. 5-6 ft.

Prices on shrubs, except otherwise noted: 2 ft., 25 cents; 10 for \$2.00. 3 ft., 35 cents; 10 for \$3.00. 4 ft., 50 cents; 10 for \$4.50.

PEONIES

The best of all perennials, once planted, always there to bloom.

Herbaceous Pæony,

Prices of Peonies, except where noted: Mixed unnamed sorts, red, white and pink, either color, at 30 cents each; \$2.50 per 10. Big roots, 3-5 eyes.

Some special sorts of newer introduction, and are marvelous of bloom and fragrance.

Name and colors given.

Grandiflora Rubra. Late bloomer, full blood red, very large. 10 cents extra.

Triumphens Rubra. Velvety red, dark, early sort.

Mrs. Douglas. Pale rose, turns to nearly white. 10 cents extra.

Festiva Maxima. Early, white, very large and fragrant, a very free bloomer. Center petals tipped crimson. 20 cents extra.

Golden Harvest. Yellow center and blush outside. Very choice sort. 10 cents extra.

Queen Victoria. A very free bloomer. Blush pink, creamy center, falls white.

Carnation. Bright crimson. 10 cents extra.

Mixed unnamed. Either red, white or pink. 30 cents each.

LILIES

Prepaid, 25 cents each; 6 for \$1.00.

Plant 5 to 7 inches deep, in well drained soil, sandy loam preferred. Best planted in October, but may be planted in early spring.

Auratum (Gold Banded Lily). Pure white flowers, studded with crimson spots. In the center of the petal is the golden band.

Tiger Lily (Double or Single). Very large clusters of orange red flowers, with black spots, very desirable. 15 cents each; \$1.00 for 10.

Rubrum, spotted, Album, white, Melpomene, crimson spotted, Magnificum, like the Melpomene.

Lily-of-the-Valley. Good size clumps. 25 cents each.

IRIS

25 cents each; 10 for \$2.25; 20 for \$4.00.

These listed are blooming size when sent out.

Amongst the perennial plants the Iris is one of the hardiest plants, very easy to grow, and in buying different varieties, as German and Japanese strains the former is a dwarf variety, and latter a tall late bloomer, with very large flowers and the most gorgeous coloring.

German Iris (Augustine). Yellow rich color, reddish brown veined.

Florentine. Early white, tinged lavender, fragrant.

Lavenir. Light blue, very good.

Lucretius. Royal purple, white center, veined white.

Sappho or Othello. Velvety purple, very desirable.

Japanese Iris. In color Imperial blue and others; tall, late bloomers. 25 cents each; 10 for \$2.25. Sure to please.

Small sizes at 15 cents each; 20 for \$2.75.

PERENNIAL PHLOX

These plants give a succession of bloom from July until severe frost if some of the shoots are pinched back, a general favorite because of the

great range of colors, and perfectly hardy, and very easy to grow. They like plenty of moisture, so is planted where they are not apt to dry out give them water liberally for best results. Very desirable as borders or planted in amongst shrubbery. They come in colors, white, pink. red and variegated in both tall and dwarf. In separate colors at 25 cents each; \$2.25 per 10; \$4.00 per 20; \$8.00 per 50. Strong plants. Mailing size at half price, not prepaid, we have the best leading varieties. This is a plant that should be more planted.

WEEPING TREES

Mountain Ash. 1 yr., \$1.25; 2 yr., \$1.75. Cut Leaved Birch. 5-6 ft., \$1.00; 6-8 ft., \$1.75. Elm (Camperdown). Same prices as Cut Leaved Birch.

Perennial Phlox

ROSES (Hybrid Perpetual)

Strong two-year plants. 40 cents each; \$4.00 per 12.

Paul Neyron. Deep pink, very double, fragrant blooms all summer.

Clio. Flesh pink, a very large fine vigorous healthy free bloomer.

Mrs. John Laing. Soft pink, very large and free bloomer, fragrant.

Margaret Dickson. Creamy white, free bloomer.

Frau Karl Druschki. Pure white, a good bloomer.

General Jacqueminot. Dark crimson, double, fragrant.

Marshall P. Wilder. Dark red, one of the best, large perfect flowers. Very free bloomer.

The above Roses, Hybrid Perpetual, will bloom better if cut down to a foot from the ground in the fall, covering by mounding with earth over the entire plant, and they should also be watered occasionally during dry spells. Take good care of your Roses and they will give you their best blooms obtainable.

CLIMBING ROSES

40 cents each. Strong plants.

Crimson Rambler. Very vigorous, flowers in pyramidal clusters.

Blue Rambler. Semi-double. Violet blue.

Dorothy Perkins. Pink, a strong climber.

Baltimore Belle. White or pale blush, best climbing rose.

Baby Ramblers, Dwarf. Crimson color, blooms in clusters from June until frost.

White Rambler.

Pink Rambler.

MOSS AND JUNE ROSES

35 cents each; \$3.25 per 10; in names and colors.

Crested Moss. Deep pink. Persian Yellow.

Sweet Brier. Single pink flowers. Harrison's Yellow. Not so double as the Persian. Red Velvet. June rose, fragrant. Rugosa Rubra. Red. Rugosa Alba, white, and New Century, large red flowers, very double.

CLIMBING VINES

Strong plants, 30 cents each; 3 yr. vines, 40 cents each; \$4.00 per 12.

Ampelopsis Engelmani. Best all around climber, clings to any surface, wood or stone. A very rapid grower and hardy.

Wild Grape. Good for screens, porches or arbor.

Beta Grape. Similar to wild grape fruit, three times as large.

Dutchman's Pipe. Pipe-shaped flowers of yellowish brown, hardy strong grower, with heart shaped leaves. 40 cents each. Strong, 3 yr. old, 60 cents each.

Bittersweet. Native vine, very ornamental with its orange colored seed pods.

Clematis Jackmanii. A very desirable climber, flowers are rich, royal purple. 50 cents each. July.

Clematis Paniculata. Large cluster, white flowers.

Clematis Henryii. White flowers and Andre Red. 50 cents.

Honeysuckle. Scarlet Trumpet. Red trumpet shaped flowers during the entire summer.

Wistaria. Purple, white and blue colors. 50 cents.

HARDY PERENNIALS

25 cents each; \$2.50 per 12; except where noted.

Bleeding Heart. Blooms in May and June, heart shaped red flowers, grows 2 ft. high.

Bleeding Heart (Dielytra Exima). Dwarf, same as above, fern like foliage, blooming the entire season. 30 cents.

Campanula (Bell Flower). Free bloomer. July to October. Clear blue.

Campanula (Native). Resembles the above, somewhat better in foliage, all around flower, lighter in colors. 30 cents.

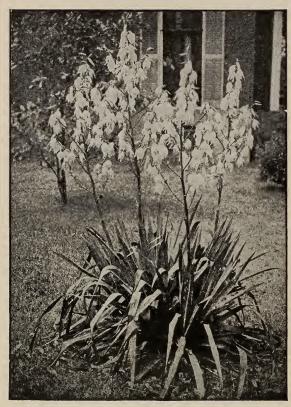

Columbine (Aquelegia). Color range from white, blue, red and yellow. Very desirable. State color wanted.

Sweet William (Dianthus Barbatus). In different colors.

Campanula

Asters (New England). Red, white and purple sorts, the last one of all flowers to bloom.

Yucca (Spanish Bayonet)

Achillea (Pearl). Small double white flowers. July.

Achillea (Red Yarrow). Red flowers, cut leaves, variable.

Hollyhocks. This rival of the rose is an old-time favorite, very good for backgrounds of other perennials or up against buildings.

Larkspurs (Delphinium). Flowers from pale silvery to indigo blue, blooms July and August, several weeks.

Oriental Poppy. Flowers very large, measures from 3 to 6 in. across, very hardy as a perennial.

Yucca Filamentosa. An evergreen perennial flower stalk in center of plant, 3 ft. high, profusion of creamy white flowers, bell shaped, one of the best plants for the lawn.

KEY TO

Flowering Shrubs and Perennial Plants. When they blossom, color, and height given as near as possible.
